RECRUITMENT NOTICE

Position: Abandoned Mined Land Civil Design Engineer (Architect/Engineer I)

Position No. 00114

Location: Big Stone Gap (Southwest, VA)

Salary Range: \$40,959 - \$84,062 (Band 5)

The Department of Mines, Minerals and Energy is seeking an individual to join a team of engineers to provide spatial database analysis, development, modification, maintenance, monitoring, and/or integration. Also, develop engineering project designs for Abandoned Mine Land (AML), bond forfeiture, and watershed restoration projects. This position has been designated as required to file a Statement of Economic Interests in accordance with Section 2.2-3114 in the *Code of Virginia*.

QUALIFICATIONS: Considerable knowledge of engineering principles and practices, computer operations, spatial database operation, and computer aided design. Demonstrated ability to apply engineering principles. Ability to communicate effectively verbally and in writing. Graduation from a college or university with degree in engineering is required. Registration of certification is desirable. An equivalent combination of training and experience indicating possession of the preceding knowledge, skills, and abilities may substitute for education and experience. Experienced in spatial database and maintenance, application of regulations and engineering principles preferably in the civil engineering or mineral extraction industry is desirable.

TO APPLY: All applications **MUST** be submitted on-line through the Commonwealth Recruitment Management System (RMS) <https://jobs.agencies.virginia.gov>. Telephone (276) 523-8142. TTY/TDD: (800) 828-1120.

ALL APPLICATIONS MUST BE RECEIVED ONLINE BY 5:00 P.M., FRIDAY, JANUARY 16, 2009
